O SI INTAKE 1

I would like to come before honorable judge Jacqueline P. Cox state my reason to why I'm dropping my lawyer from my case. After careful consideration of my case I have determined that it's best to end my attorney Semrad Law Firm, LLC relationship effective immediately. I would like to continue this case by representing himself as the Pro se litigant.

Keenan has realized his debt is way less than paying his attorney to represent him.

I myself has never spoke with attorney since the date of filling for bankruptcy

My decision comes after realizing that attorney is not reachable as well is overpriced

I'm willing to pay off the debt I owe and began my journey as I need a place to lay my head and no one will approve me for apartment while in open bankruptcy or until is paid off and discharge.

Overall, I want proceeded as Pro si litigant to represent myself and pay off the **Ten percent** of debt to begin a healthy chapter in my thank you judge.
